

Made you look, didn't we!

SGSCA is seeking two members to serve as **Company Advisors** for Gdynia Business Week!

SGSCA will cover the cost of airfare up to \$1000. See, free trip!

Here's your opportunity to be a mentor! Be a Company Advisor!

During Gdynia Business Week you will guide students as they role-play as industry professionals, launch a company, and solve real-world challenges.

Company Advisors learn to coach, influence, delegate, empower, and sharpen leadership skills. You'll guide students to work as a team, run a company, and

make real-world decisions. You learn firsthand how to lead a diverse team to success. It's a hand-on leadership program like no other.

Educate a team of 10–12 English-speaking high school students in a global context. Share your expertise, engage them in critical thinking exercises, and provide feedback on the team's mission, while developing your leadership skills in the process.

A **company advisor** should be over 21 with 3+ years of professional work experience.

Network! Meet new people! Have fun!

Being a Company Advisor at the 2016 Gdynia Business Week Program was truly life-changing and fulfilling. The wonderful students on my team amazed me by the strength of their character, their intelligence, their desire to learn and improve themselves. Each one of these students was so impressive in their own way and just fun to be with. What an opportunity it was for me to be part of this unique and wonderful program. - Paul J. Dobosz, Senior Manager, Research and Business Advocacy, Downtown Seattle Association/Metropolitan Improvement District
