International Professional Development

International Business Week

International Business Week places American business professionals in the advisor role to students abroad, leading a team to success in our dynamic, cross-cultural program.

As the **Company Advisor**, you will empower English-speaking students to develop crucial communication and business skills they need to lead in a global context.

At International Business Week, volunteers and students have a unique opportunity to practice diplomacy, educate others about entrepreneurship, and build a professional network abroad.

WBW has impacted over 6,000 professionals (and 60,000 students!) since 1976. This is the place for the upcoming leaders of today to impact the leaders of the future. Each summer, we host employees from over 50 local and national companies, including:

The Boeing Company
BECU Credit Union
Delta Dental
First Choice Health
Kadlec Regional Medical Center

PEMCO Insurance
Premera Blue Cross
Salal Credit Union
Starbucks
Umpqua Bank
